No more payroll headaches

As your business grows, so does the complexity of payroll (and the time it takes).

Running your payroll in-house can turn into one of those inconvenient jobs that eats up valuable time and becomes a weekly or monthly burden.

The burden of managing your own payroll involves buying software, installing updates, ensuring you're compliant with all HR regulations, and more. And the more employees you have, the greater the payroll headache becomes. Things can go wrong and before you know it, there's an enormous mess to sort out.

With more regulations than ever before, this could be the right time to pass the baton to the experts.

Our experienced payroll team can handle just about any situation

And they're always keen for a challenge.

Whether you're running a small or large workforce, we've got a streamlined approach that makes payroll management easy. And it costs less than you think! Compared to your valuable time, our payroll services are very affordable. It's fast, efficient and 100% compliant with HM Revenue and Customs.

- Set up your scheme or help you get set up
- Ensure you meet all critical deadlines
- Send relevant information to the pension provider
- Send relevant letters to your employees

HOW WE WORK

We're a BACS approved bureau service

This means more financial control and a steadier cashflow for your business, as you know what's going out and when.

No more cheques

BACS eliminates the need for writing cheques or paying in cash. It's safer, more reliable and less prone to human error, late payment or theft. Transactions clear in just three business days, and offer greater flexibility than traditional payment methods.

We use STAR Payroll Software

Star is a tried and tested system that offers complete peace of mind and confidence.

E Payslips

E-payslips are a convenient way of providing your employees with their pay details, avoiding paper payslips and allowing access to the information 24 hours a day, 7 days a week. The payslip data is uploaded directly to a secure dedicated services so only you and your employees will be able to view it.
